Dear Resident,

RE – Foundry Lea, Bridport

We would like to invite you to a 'Meet the Builder' session with the consortium of Barratt David Wilson Homes and Countryside Partnerships on the 1st of March between 13:00 to 19:00.

The session is in response to the Foundry Lea development being granted detailed planning permission.

This is an open door session for you to come and meet with the team that are involved in the Foundry Lea Development. It will also be an opportunity for you to discuss the recent issue we had with the accidental removal of some hedges and trees, and to hear how we are trying to make amends.

We welcome all questions and queries that you may have and there will be presentational material that will give information on the next steps and stages of the development, in advance of a planned start in Spring 2023.

We would like to present updates on:

- Miles Cross roundabout
- On-site Health and Safety for the purposes of construction and pre commencement activities
- Infrastructure Delivery and Actions to include electricity, surface water, BT and foul sewage
- Planning Application Updates – potential house type changes responding to building regulations
- West Road Landscaping Reinstatement and updates
- Build Programme/Routes of the construction and strategy
- Requisite statutory sign offs from Health and Safety providers, NHBC, Local Authority and Statutory Service Providers

It will be held at the Local Town Hall, Bucky-Doo Square, Bridport, DT6 3JP. Closest public parking is located at 47, South Street, Bridport DT6 3PS.

If you are unable to attend the event then all presentational material that we will use can be located on the Foundry Lea website, https://www.foundrylea.co.uk/ where questions can also be made.

We look forward to meeting you.

Yours faithfully,

Barratt David Wilson Homes and Countryside Partnerships
